

Tenatative Schedule* - (may change because teachers are still needed)

*Possible *Wednesday Only* schedule if Monday classes do not get enough students to run. Decision will be made by May 1st. Math could be Monday online or possibly in person if enough other classes are added that Monday in person is needed.

Updated 4/13/21

MONDAY

Times start at the top of their box. Alternating Years are classes that alternate every other year. For details, see end of schedule.
